AMENDMENT

This Amendment is submitted in response to a non-final third office action in the above case dated February 19, 2008 (“Third Office Action,”). The Examiner rejected claim 20 for lack of written description (35 U.S.C. §112, par. 1) and rejected all the pending claims as anticipated (35 U.S.C. §102). On May 7, 2008, the attorney for Applicants and the Examiner held a phone interview discussing the rejection. Amendments and arguments were discussed which Applicants submit herein to advance prosecution. Applicants have canceled claims 1-6, 13-19, and 21 and added claims 22-26. Applicants traverse the prior art rejections with respect to the amended claims and submit that all pending claims 7-12 and 22-26 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2. Remarks/Arguments begin on page 5.
